

BBNT Privacy Policy

Privacy is of utmost importance with BBNT and the blockchain . We recognise the significance of protecting information which is stored on our servers or network or is intended to be stored on our servers or network and which relates to an individual. The data we protect are the “Personal Data” which is any information relating to an identified or identifiable natural person, sometimes called a data subject, and have made protecting the privacy and the confidentiality of Personal Data a fundamental component of the way we do business. This Privacy Policy informs you of the ways we work to ensure privacy and the confidentiality of Personal Data and describes the information we gather, how we use those Personal Data and the circumstances under which we disclose such information to third-parties.

BBNT Privacy Policy

This Privacy Policy is designed to address regulatory requirements of the jurisdictions in which BBNT offers its Services, including the General Data Protection Regulation (“GDPR”), as enacted by the European Commission. In this Privacy Policy, the term “Service” and “Services” has the same meaning as described in the User Agreement, but excludes API services, which are governed by a separate agreement. If you do not agree with this Privacy Policy, in general, or any part of it, you should not use the Services.

This Privacy Policy is periodically reviewed to ensure that any new obligations and changes to our business model are taken into consideration. We may amend this Privacy Policy at any time by posting an amended version on our website.

Information

Collection of Personal Data

Our Services are offered through our website (www.bbntoken.com). By using the Services, you understand that your Personal Data may be used by us

When you access or use the Services, we collect the following information:

Information You May Provide to Us: You may give us information about you by filling in forms on our website or by corresponding with us by phone, email or otherwise. This includes information you provide when you register to use the Services and when you report a problem with the website.

Information We Automatically Collect About You: With regard to each of your visits to our website we automatically collect the following information:

- Login Information: We log technical information about your use of the Services, including the type of browser and version you use.
- Device Information: We collect information about the device you use to access your account, including the hardware model, operating system and version, and unique device identifiers, but this information is anonymised and not tied to any particular person.
- Transaction Information: In connection with our Conversion Service, as such term is defined in our User Agreement, we may collect and maintain information relating to transactions you effect in your account

Use of Personal Data

We will use your Personal Data, to:

- Understand and strive to meet your needs and preferences in using our Services;
- Develop new and enhance existing service and product offerings;
 - Manage and develop our business and operations;
- Carry out any actions for which we have received your consent;
 - Prevent and investigate fraudulent or other criminal activity;
 - To address service requests and resolve user questions; and
 - Meet legal and regulatory requirements.

Disclosure of Personal Data

We may share your information with selected recipients to perform functions required to provide certain Services to you and/or in connection with our efforts to prevent and investigate fraudulent or other criminal activity. All such third parties will be contractually bound to protect data in compliance with our Privacy Policy. We also may share Personal Data with a buyer or other successor in the event of a merger, divestiture, restructuring, reorganisation, dissolution or other sale or transfer of some or all of BBNT's assets, whether as a going concern or as part of bankruptcy, liquidation or similar proceeding, in which Personal Data held by BBNT is among the assets transferred. Except where we are required by law to disclose Personal Data, or are exempted from, released from or not subject to any legal requirement concerning the disclosure of Personal Data, we will require any person to whom we provide your Personal Data to agree to comply with our Privacy Policy in force at that time or requirements substantially similar to such policy.

Security of Your Personal Data

We protect Personal Data with appropriate physical, technological and organisational safeguards and security measures. Your Personal Data comes to us via the internet which chooses its own routes and means, whereby information is conveyed from location to location. We audit our procedures and security measures regularly to ensure they are being properly administered and remain effective and appropriate. Every member of Blockchain is committed to our privacy policies and procedures to safeguard Personal Data. Our site has security measures in place to protect against the loss, misuse and unauthorised alteration of the information under our control.

Retention of Your Personal Data

The length of time we retain Personal Data outside our back-up system varies depending on the purpose for which it was collected and used. When Personal Data is no longer necessary for the purpose for which it was collected, we will remove any details that identifies you or we will securely destroy the records, where permissible. However, we may need to maintain records for a significant period of time. Except where prohibited by law, this period may extend beyond the end of the particular relationship with us, but only for as long as we are bound to do so for the audit, regulatory or other accounting purposes. When Personal Data is no longer needed, we have procedures either to destroy, delete, erase or convert it to an anonymous form. If you have opted-out of receiving marketing communications, we will hold your details on our suppression list so that we know you do not want to receive these communications.

Storage of Personal Data

BBNT stores your Personal Data in our servers. BBNT ensures that appropriate security standards are in place regarding the safeguarding, confidentiality, and security of Data.

Your Rights

The rights that are available to you in relation to the Personal Data we hold about you are outlined below.

- **Information Access.** If you ask us, we will confirm whether we are processing your Personal Data and, if so, what information we process and, if requested, provide you with a copy of that information within 30 days from the date of your request.
- **Rectification:** It is important to us that your Personal Data is up-to-date. We will take all reasonable steps to make sure that your Personal Data remains accurate, complete and up-to-date. If the Personal Data we hold about you is inaccurate or incomplete, you are entitled to have it rectified.

Your Rights

Acceptance

Erasure

You can ask us to delete or remove your Personal Data in certain circumstances such as if we no longer need it, provided that we have no legal or regulatory obligation to retain that data. Such requests will be subject to any agreements that you have entered into with us, and to any retention limits, we are required to comply with in accordance with applicable laws and regulations.

By using the Services, you signify your agreement to this Privacy Policy. BBNT reserves the right to change or amend this Privacy Policy at any time. If we make any material changes to this Privacy Policy, the revised Policy will be posted here and we will notify our users at least 30 days prior to the changes taking effect so that you are always aware of what information we collect, how we use it and under what circumstances we disclose it. Please check this page frequently to see any updates or changes to this Privacy Policy.

FAQS

Any questions about this Privacy Policy, the collection, use and disclosure of Personal Data by BBNT or access to your Personal Data as required by law (to be disclosed should be directed to info@bbntoken.com.

In the event that you wish to make a complaint about how we process your Personal Data, please contact us in the first instance at info@bbntoken.com and we will attempt to handle your request as soon as possible. This is without prejudice to your right to launch a claim with the data protection supervisory authority in the country in which you live or work where you think we have violated data protection laws.
